LIFELINECHURCH

For Immediate Release: September 30, 2018

Chicago, IL – National Love People Day – A day to show love to everyone, no exceptions. It's National Love People Day!

Every year on September 30th is National Love People Day. The purpose of the day is to show love to everyone - no exceptions. National Love People Day tasks us to display unconditional love, which many have never experienced. But, when we genuinely love our neighbors and express it with kind words and thoughtful deeds, we make the world a better place. It is the true meaning of "love your neighbor as yourself".

On National Love People Day you get the opportunity to LOVE EVERYONE - yes EVERYONE; law enforcement, your neighbor, office staff, people from all walks of life, no matter race, creed or color. The only requirement for this day is to LOVE, no exceptions!

We would love for you to join us in the National Love People Day campaign by showing love in your community. We want to change the face of our nation with LOVE and it starts with you. We would like every community, business, church, and person to join America as we celebrate National LOVE People Day. You do not have to wait for September 30th you can show and share LOVE the week leading up to National LOVE People Day.

Join the National LOVE People campaign and show us how you LOVE People. You can use our hashtag: #NationalLOVEPeopleDay when posting to social media. We also have National LOVE people t-shirts and yard signs (www.NationalLovepeopleDay.com) to post at your home or business to show your support of National LOVE People Day. You can take photos with the grocery clerk, the gas station attendant, clergy, police officers, firemen, and so many more. You can pay for someone's coffee, buy lunch for a homeless person, put money in an expiring meter, and more. We want to see how you LOVE People in your community.

History - Lifeline Church out of Chicago, Illinois founded National Love People Day in 2017 to inspire the spirit of unconditional love as a national event to bring us all together. The day honor's the vision of the church's founders, Reggie and London Royal who through the church, have impacted the Chicagoland area by showing unconditional love for over eight years. The pair strongly believe that loving God means loving yourself and loving people from all walks of life no matter the race, color, national origin, sex, age, or disability.
